Mr. Butler, As the record will reflect, I represent the applicant in the above matter. On December 16, 2021, the PSC revised the notice of filing at our request to reflect corrections in the percentage increase with respect to a couple of proposed rates. Since the revised notice was issued, the ORS has taken the opportunity to review the notice and after some communications between us, we would propose to add language to the notice that any discrepancies in percentage increases between the notice and application may be due to rounding. If we are able to have a second revised notice of filing by close of business today, we can have the second revised notice published by the December 23d deadline. If for some reason we do not have a second revised notice today, I would request that the Clerk give us an additional week to publish (I cannot be sure how the holidays affect publication deadlines). Please let me know if you have any questions. Thanks.
